A new plan to ease Del Valle Parkway

PLEASANTON — There's hope for traffic relief along the section of Del Valle Parkway which already has been completed.

The residents have been concerned that when Del Valle Parkway is completed, looping around from Hopyard Road to Santa Rita Road and beyond to Vintage Hills, the traffic will become heavy.

Morrison Homes came up with a plan to run the rest of the parkway in Pleasanton Valley alongside the Arroyo Del Valle Valle, an effort which would have diverted traffic from the homes.

But the owner of another property in the vicinity who already dedicated his right of way share of the parkway to the city has blocked that plan.

So Morrison Homes has another plan, in effect a frontage road running alongside the future Del Valle Parkway. would be on the frontage road, not on the busier parkway itself. The situation would be similar to the Jensen tract, which is bordered by a frontage road instead of the heavily traveled Santa Rita Road.

The CARD committee heard a presentation about the plan Tuesday night from Del Valle Parkway resident John Fitzgerald. The committee liked the idea so well that it endorsed it and will ask the city council to back it, according to Wally Mayer, a CARD Committee official.

Mayer told The Times he hopes the city will be able to work out an effective public works engineering plan which will be able to accomplish the frontage road.

Sups nix lot split

OAKLAND — County supervisor Tom Bates said he made "a hard decision" this week when he cast the deciding vote in denying two brothers permission to divide their family's property on Collier Canyon Road.

Rick and Ken Watt had been after the board for the past month, trying to get them to allow division of the land into 100 and 35 acre parcels. The land, just below the Contra Costa County line, is zoned for agricultural use and requires 100-acres per building site.

The brothers said they had inherited the land and now want to farm it, but they want separate homes.

Bates said it would create an exception to the board's policy.

Supervisors John Murphy and Charles Santana agreed to the variance, while board chairman Fred Cooper and Joseph Bort opposed it.

Bort said earlier inheriting the land "doesn't change one thing." Neighboring parcels had been carved into lots as small as 10 acres, he argued, forcing the board to adopt the 100-acre policy.

Strong rule on conflicts

PLEASANTON — In a variation of the old song, "I'm My Own Grandpa," the city council adopted a conflict of interest policy stronger than that required by the state Fair Political Practices Commission.

The state code requires that public officials not vote on matters brought to them by spouses or children. The city council extended that to "all relatives in the first degree." This includes siblings, aunts and uncles, first cousins, and in - laws.

Vice - mayor Joyce LeClaire led the way in calling for the stricter code, noting that the ACAP/ACTEB board on which she serves includes quite a few relatives in its conflict of interest code.

Councilman Ken Mercer backed the idea, noting that he abstained from voting on a gas station application a few months ago because his brother - in - law owns a gas station in the city.

Councilman William Herlihy was the lone vote against the resolution. He did not explain his action.

CC Sheriff's Dept. plans burglary talk

DUBLIN — The sheriff's department will sponsor a burglary prevention program at Nielsen School Oct. 5 as part of a major attempt to stem the rising tide of residential burglaries in the area.

The program is also presented in cooperation with the University of San Francisco and the Briarhill and Silvergate Homeowners Associations.

Four sheriff's investigators will demonstrate "the most current methods of making a burglar's life miserable." This will include talks on locks, lighting, Operation ID, and other neighborhood cooperative programs which can reduce burglaries.

A movie on several aspects of crime prevention will also be shown.

Leaflets describing the program are currently being distributed in Dublin. It includes a questionnaire for each resident to fill out, and will be tabulated and reviewed at the Oct. 5 meeting.

If you have not made a list of all your valuables, haven't engraved your driver's license number on them, don't know what to do if your credit cards are stolen, or don't know how to properly secure your home before leaving it, then your attendence is urged.

The meeting will be held beginning at 7:30 p.m. Oct. 5 at Nielsen School, 7500 Amarillo Road in Dublin.

Mori reviews legislation for education group meet

Assemblyman Floyd Mori's education advisory committee for the valley will meet at 7:30 p.m. today at the Pleasanton School District Building, 123 Main St., Pleasanton.

Mori will be present to discuss educational legislation passed this year and proposals that are being studied by the Assembly Education Committee during the fall interim recess.

"I formed the Education Committee in January in an attempt to bring myself closer to the feelings and problems of the people who live in my district as they relate to education. So far the committee has been very successful in communicating these feelings to me and I hope to obtain even more input from greater numbers of people as the new school year begins," said Mori.

The committee will meet every other month and is open to the public.

Steelers, Vikings can't tackle city council meet

PLEASANTON — The Pittsburgh Steelers take on the Minnesota Vikings Monday night, but the city council will do its civic duty and conduct a neighborhood council meeting at Valley View School, 7:30 p.m.

City Attorney Ken Scheidig noted the conflict with the Monday night football game and asked, half -facetiously, for a postponement of the meeting. But with topics like the Del Valle Parkway, park development, fire protectinon, police patrol and shopping facilities on the agenda, a good turnout is expected at the meeting.

Councilman Frank Brandes had no problems with making it to the meeting next Monday, but he may bring a portable TV set to the next meeting when the Los Angeles Rams engage the San Francisco '49ers on the turf. Brandes has had '49er season tickets for 20 years.

Loma Alta action set for playground

PLEASANTON — Councilman Ken Mercer invited his colleagues and any other interested citizens to pitch in and help the Loma Alta Playground Action Committee construct its new tot lot for the next three Saturdays.

Citizens will meet at the park in their work clothes October 2, 9 and 16 to install equipment purchased by the committee from nearly $5,000 in funds raised through flea markets and the like. The city also will make a contribution from its budget, up to $1,700.

He won the bike!

It pays to be a good guy.

Tim Henshaw knows. He started out to do a favor for Buenas Vidas Youth Ranch, the struggling facility for teen - agers on Arroyo Road, and ended up with a $170 powder - blue Schwinn LeTour racing bike.

Henshaw, a resident of Pleasanton, belongs to the Livermore Jaycees. His club is helping Buenas Vidas as a service project, and recently sold benefit drawing tickets for the bike, which was donated by Barber's Schwinn on First Street, Livermore.

"I didn't sell all the tickets, so I decided to keep the last three," Henshaw reports. "They were three for a dollar."

Of course it was one of his tickets that was picked at the youth ranch's dance last weekend.

Henshaw is ecstatic over his gleaming new possession — but he didn't need it.

"We don't have any kids, yet," he reports. "My wife, Sharyn, just got pregnant.

"And I already have a pair of new Italian racing bikes I just bought.

"Guess I'll sell one of those. I really like this bike. Gee, I wonder if I could ride it home before it rains?..."

Murray teachers say 'talks at impasse'

The Murray Teachers Association negotiation team has declared it is at an impasse in negotiations with the Murray School District on a contract for 1976-77.

MTA President Bob Kroetch said the current boycott would continue.

If the MTA moves to request a mediator be sent in by the Educational Employment Relations Board (EERB), it would be the second teachers group in the valley to request such a solution.

The Amador Valley Secondary Educators Association (AVSEA), representing teachers at Dublin, Amador, Foothill and Valley Continuation, requested the move last week.

At the present time, teachers and administrations in three valley school districts— Murray, Pleasanton and Amador— have yet to settle on 1976-77 contract terms.

Murray instituted a boycott 10 days ago, the MTA asking teachers to not participate in before or after school events such as Back - to - School nights, student events, parent and teacher conferences.

Kroetch previously reported a boycott effectiveness of anywhere from 50 to 100 per cent at all schools except Nielsen.

Next scheduled meeting for the MTA representative council is Wednesday, Oct. 6 at 3:30 p.m.

Amador Valley Joint High School District teachers declared a minimum duty day on Wednesday of last week to illustrate their demands for "movement" by the school board on the issues of binding arbitration of grievances, agency shop and salary.

AVSEA spokesman Jim Eaton, after resultant negotiations sessions that apparently brought no accord, then called for a mediator to be sent in.

Pleasanton teachers held a general meeting at the Pleasanton Hotel Tuesday to underscore their requests for resolving of three primary issues, including agency shop, assignment and transfer policy, and salary.

The Pleasanton teachers unit has been the only one of the three to refrain from any boycott action or call for mediation.

Meanwhile, the Pleasanton Joint School District Board of Trustees returned to full strength today with the appointment Tuesday of Dennis Reidy to fill the unexpired term of Dr. Guy Clark.

Reidy was selected after lengthy interviews Tuesday night in a packed board room at school district headquarters.

Reidy, a real estate salesman with Century 21 in Fremont, was the top choice of trustees Al Dutchover and Betty Nostrand and the second choice of Karen Finn. Trustee Joe Schwab was not present for the public interviews and deliberations.

Dutchover selected Reidy, Candy Ingram and James Griffen, in that order, while Nostrand picked Reidy, Carol Rogers and Ron Schneider as her first through third choices.

Mrs. Finn selected Mrs. Rogers first, then Reidy and Griffen.

Mary Blackstone was also a finalist.

Some of the questions asked candidates included the following;

"What should the relationship be between the board, administration and teachers?"

"What do you see as some of the district's good points and some of our bad points?"

"We are often described as being in the 'people business'. What does this mean to you?"

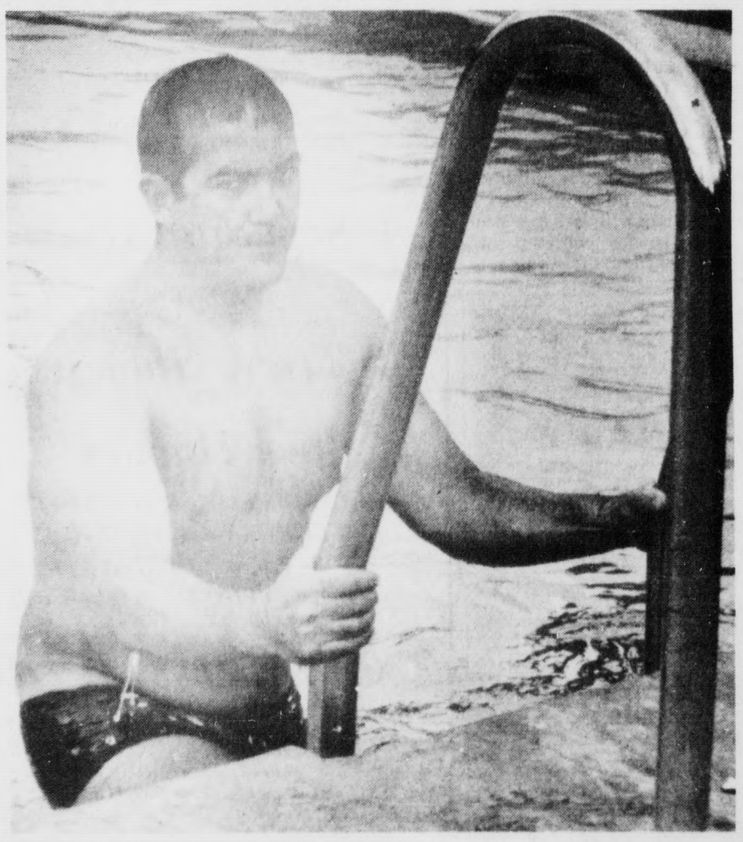

"How do you feel about merit pay for teachers?"

"If the district faces the same financial problems next year, in what areas do you feel we can cut?"

"How would you as a board member improve credibility to voters?"

Fire hearing cools in demotion appeal

PLEASANTON — No witnesses testified in the second session of Fire Department Lieutenant George Withers' appeal of his demotion yesterday as a continuance was granted just a few minutes after the start of the proceedings.

Steve Stemerman, attorney for the local firefighters union, asked for the continuance because he had not attended the first session on Tuesday and felt that his ignorance of the proceedings would put his client at a disadvantage.

Stemerman's law partner, Alan Davis, represented Withers Tuesday, but he was detained in a San Mateo court yesterday and unable to make the scheduled 1:30 p.m. start.

He telephoned personnel board officials at 1 p.m. and said he was sending Stemerman in his place. Stemerman took BART to Hayward because he had no car yesterday and rode the rest of the trip in the private car of an off - duty firefighter.

Personnel board members and a few spectators stood and chatted in the clearing 75 degree weather outside the City Council Chambers for more than an hour as Stemerman made his long journey to his brief speech.

City Attorney Ken Scheidig, presenting the city administration's side of the case in Withers' demotion, said he sympathized with Stemerman's plight and had no objection to a continuance. "I know what it's like to come into a case without knowing what's going on," said Scheidig.

The personnel board has set aside all day Tuesday and Wednesday for more testimony, but Scheidig advised yesterday that it probably won't be enough, in view of the slow proceedings Tuesday. One witness, Captain Doug Cracraft, spent nearly all day on the stand while Davis raised many objections to the line of questioning pursued by Scheidig. Acting Fire Chief Bert Cherry spent an hour on the stand and will continue testimony Tuesday.

Cherry will be followed by Public Safety Director Walt McCloud and "one and perhaps two other witnesses," said Scheidig. The panel will meet at 9 a.m. Tuesday.

Withers was demoted from captain and received a commensurate pay reduction for allegedly poor job performance for the past 14 months and for his supposed role in failing to extinguish the Fallon House fire when some on the scene raised the question of whether the Twin Valley Fire Training Academy was burning the wrong building.

Housing Authority director's home burglarized

PLEASANTON — George Michael Parsons, executive director of the Pleasanton Housing Authority, returned home from a night class Tuesday and discovered his Jensen Street residence had been burglarized of $310 in valuables, police reported.

Burglars apparently entered an unlocked kitchen window, although police found no muddy footprints inside the house despite the heavy rains. The house had been partially ransacked and drawers had been rifled.

Missing items include a Rollei brand 35mm camera, Rollei model EI5B flash, tackle box with drafting equipment, and a gold and silver engraved bombilla, a straw - like instrument used to drink tea.

A file box taken from the house was recovered by police on the ground outside the house. It had prymarks but had not been entered, police said. It was held as evidence, and will be checked for possible fingerprints.

Police found footprints in the mud leading from the kitchen window, which was thought to be the burglars' exit.

The camera had been engraved with the license number K0615677. Police are looking for Parsons' former roommate for questioning in the case.

Ironwood Drive home burglarized, $980 loss

DUBLIN — Burglars entered the Ironwood Drive home of Ruth Roberts between 1:30 and 4:30 p.m. Monday and took jewelry valued at $980.

Deputies said burglars apparently entered the house through an unlocked rear door. The house had been ransacked.

Missing items include a Uranus brand LED wristwatch, a wedding ring set with a ½-carat diamond, a pair of heart - shaped pierced earrings with diamonds in the middle, and a Silvertone brand am/fm digital clock radio, all valued at $980.

The Roberts' color television and stereo system had been disconnected and stacked in the backyard patio. Deputies recovered three partial fingerprints and a palmprint from inside the house.

There no suspects at this time.

House burglarized in 30 minute period

PLEASANTON — In only 30 minutes, burglars smashed the rear patio glass door to Phillip Nixon's Grand Canyon Court home and took a portable color television valued at $350.

Nixon told police that he and his wife left their home at 5:30 Tuesday evening. When they returned at 6, they discovered the theft.

The television was taken from the master bedroom, and had social security number 462-74-4800 inscribed on the back. Neighbors told police they saw nothing suspicious. There are no suspects.

CB radio worth $200 taken from van

PLEASANTON — Burglars forced the left wing window to Richard Branchini's van while it was parked in front of his Hillsdale Drive home and took a citizens band radio worth $200.

Police said the radio had been removed from its mounting on the inside roof of the van.

The unit is an Astroline model CB-555 23-channel transceiver, with social security number 560-60-0453 engraved on several places on the radio and microphone. There are no suspects.

CB radio taken from van on California Way

LIVERMORE — Burglars forced open the right wing window to Anthony Kliss' van and took a $250 CB radio, police reported.

The van was hit while it was parked in front of Kliss' California Way residence. The unit is described as a Teaberry brand "5X5" CB radio, serial number 750785. There are no suspects.

Hay and cotton seed stolen from Livermore ranch

LIVERMORE — Burglars took 36 bales of alfalfa hay and 10 sacks of cotton seed from Charles M. Uznay's Mt. House Road ranch early Sunday, deputies reported.

The thieves apparently cut a cable leading to an access road to Uznay's ranch, deputies theorized. The hay and seed were valued at $290.

There are no suspects.

Suspect denies pot guilt

LIVERMORE — Patsy Lynn Heltor, 28, 5720 East Ave., pleaded not guilty in municipal court Tuesday to charges of marijuana possession and cultivation.

Police reports indicate a plant was growing on the window sill of her apartment and she grew it for personal use.

She was charged with possession of 40 grams of marijuana. Another court appearance is scheduled Oct. 12.

In other court action:

— James Taylor Ingram, 29, 1164 Almond Ave., Livermore, was arraigned on charges of forging four checks, totaling $369.

Scheduled to enter a plea today, Ingram was accused of signing checks against the account of Maddox Steel Company in Santa Clara, using the signature of a Richard Maddox.

SR planners eye project

DANVILLE — Civil Engineer Eugene DeBolt has presented a plan to the San Ramon Valley Planning Committee regarding 239 lots at Sycamore Rd. and Camino Tassajara.

DeBolt's firm represents Sycamore Farm Investments.

The property is considered an area of special concern in the proposed general plan. It is zoned for 15,000 square foot minimum lots while most of the area is zoned for agricultural use.

The SRVPC denied the application for development the way it is stated. But they plan to make further studies.

The 4-H gives young people room to grow

National 4-H Week

During National 4-H week, Oct. 3-9, members of 4-H clubs will be busy taking names of new youths who are interested in joining the 4-H program. Above are active 4-H members signing up new potential members: Left to right: Linda Hunter, Don Mendez, Cathy Jantzen, Lynn Benninger (seated) Mark Gabrielson, Karen Spence, Terry Morrow, Wendy Thomas and Tod Lawsen. The group represents various 4-H Clubs throughout the valley.

By LILLY AULT

Nearly 5.6 million young people will observe National 4-H Week Oct. 3 - 9 with activities centering on the 1976 theme, "4-H Room to Grow."

4-H is an informal, practical learning - by - doing educational program, meeting the needs of boys and girls, ages 9-19, in a variety of ways.

As members of organized community clubs, short - term project groups and special interest groups, members learn skills to become competent, productive citizens.

Today's 4-H program is for all youth, everywhere, in big cities, small towns, country and in the suburbs.

In Alameda County membership is drawn from all of these backgrounds. With encouragement of parents, brothers, sisters, guidance from volunteer leaders and a commitment from the members themselves, it is felt that 4-H club work encourages boys and girls to develop fully their potential by helping them to meet the following objectives of 4-H Club work: appreciate the value and dignity of work; acquire knowledge and skills and explore career opportunities; develop attitudes and ability to cooperate with others; learn to accept and discharge responsibility and develop leadership and be of service to others.

The 4-H program is highly flexible and is continually expanding and adapting to the changing needs and interest of young people.

4-H type work began around 1900 as an effort to supplement classroom instruction with practical out - of - school learning experiences relevant to rural youth. Enrollment in 4-H clubs and special interest groups was up 7.8 per cent last year over 1974.

Study shows 23 per cent of 4-H members live on farms, 40 per cent in rural areas and towns of less than 10,000 population and 37 per cent in cities, towns and suburbs of 10,000 - 50,000 and larger.

Also contributing to the effectiveness and expansion of 4-H are thousands of businesses, foundations and individuals that lend their support to the program.

On the national level, private - sector support for 4-H is channeled through two non - governmental organizations, the National 4-H Service Committee, Chicago, and the National 4-H Foundation, Washington, D.C.

Functions of the two organizations will be unified under the newly - incorporated National 4-H Council, expected to be fully operational early next year.

In 1975, 180,000 4-H members shared in awards provided by private - sector donors through the National 4-H Service Committee. More than $209,000 in college scholarhsips will be awarded during the 55th National 4-H Congress held from Nov. 28 to Dec. 2 in Chicago.

The 1976 observance challenges girls and boys to examine their personal growth and development in 4-H and, at the same time, to broaden their interests and concern for others.

Each adult 4-H volunteer leader contributes an estimated 20 days per year to 4-H leadership responsibilities.

Local 4-H groups will be observing 4-H week by putting displays in store windows, going to church on 4-H Sunday, and some will do service work in the name of 4-H.

Membership in a specific group is determined by a person's residence. Clubs draw from defined areas. Information can be had from county office at 846-3277, ext. 7554 or from community leaders.

The "Good Times 4-H Club" was specially organized recently for handicapped children. President of the club is George Perez. Meetings are the third Tuesday of each month at 7 p.m. at 777 Sycamore Road, Pleasanton. Community leaders are Alice Bruns and Carol Bush. Further information on this group can be obtained by calling 846-2993 or 846-2948.

Livermore Women

John Bird, proprietor of the Flying Chef, will address members of the Livermore Woman's Club Friday, Oct. 1 at the Carnegie Building in Livermore.

Included in Mr. Bird's presentation will be international cuisine samples, international cooking and experimentation, a food processor demonstration, and instructions on how to write a cookbook.

Persons interested in attending the meeting, luncheon and program at 11:30 a.m. may contact Kay Thomas at 447-5707.

Children's Hospital given $90,000 grant

The Kresge Foundation of Troy, Mich., has awarded Children's Hospital Medical Center Foundation of Oakland a grant of $90,000 to purchase monitoring, life support and testing equipment for its newly - constructed Intensive Care Center.

The announcement of the grant award was made by Herbert Funk, president of Children's Hospital Foundation's board of trustees. A public campaign in 1975 raised more than $2 million in contributions to pay for construction and partial equipping of the new facility.

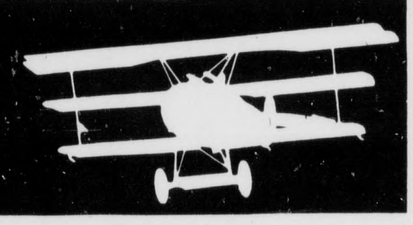

The Kresge Foundation grant will bring the Intensive Care Nursery to full operating capacity.

The 64-year-old regional pediatric medical center added the new 56-unit Intensive Care Center in 1975 to help meet the increased need for special care for critically ill infants and children from throughout Northern California. The addition did not result in an increase in the 142-bed limit for which Children's Hospital is licensed.

Founded in 1912 as the Baby Hospital, Children's Hospital Medical Center is one of the oldest and most comprehensive pediatric units in the western United States which is devoted exclusively to the health needs of infants and children.

The Kresge Foundation is a private, non - profit foundation created in 1924 by Sebastian S. Kresge, founder of the S.S. Kresge Company. During the past 53 years, Kresge Foundation has made appropriations of more than $260 million to institutions in the fields of higher education, health services, the arts, social welfare and care of the young and aging.

Livermore launches its Festival '76

Everyone in town gets into the act in Festival '76 coming this weekend to Livermore for a seventh successful year through the Livermore Cultural Arts Council.

Hundreds of valley residents will participate as singers and dancers, magicians, artists, demonstrating craftpersons, collectors, hostesses, clowns, photographers, actors and poets.

Thousands are expected to take advantage of the continuous family entertainment Saturday from 10 a.m. to 6 p.m., and Sunday from noon to 5 p.m.

Head for the corner of Fourth and K Streets, and you'll be at the center of a four - block arena of activities. Outdoor stages will be erected at Carnegie Park, and along Fourth Street. A tea garden gazebo will rise on Fifth Street, offering light refreshments by Xi Theta Theta Chapter, and entertainment as well.

The fine arts show will be on exhibit both days at the Veterans Memorial Building, scene also of a slide show. Photography may be viewed at the Fireside Room of the Presbyterian Church.

Indoor performances run continuously at the Presbyterian Church's Fellowship Hall, and Sanctuary.

Collectors will share special interests in antique dolls, spoons, trains, airplanes at exhibits which will line the streets, while craftspersons share their special skills at streetside booths. Art and craft items will be offered for sale as well.

Look for the colorful parachute which will shelter the popular "air sculpture" demonstration at the corner of Fourth and K Streets. Children are the focus of participation art across the street at the same corner. Teens and scribblers of all ages are invited to make a contribution to the "graffiti board" at the corner of Fifth and K Streets.

The Festival '76 baloon will be officially launched with a champagne preview of the fine arts show Friday from 8 to 10:30 p.m. at the Veterans Building. General admission is $3 per person.

Marian Dort is the creator of the carefree Festival '76 ballon admired by Helen Chew and Bev Hamlin. She will print T-shirts in dark or light ink for only $1 during the Festival. All shirts must be washed beforehand.

For the kiddies

Special attractions just for the kiddies at Festival '76 may be found at the corner of Fourth and "K" Streets, and in the Presbyterian Classrooms No. 1 and 2.

An outdoor children's participation art arena returns to Fourth and "K" Streets with a myriad of amusements including face painting, milking the "cow," hat and necklace making, and chalk - making.

Saturday at 1 p.m. the Mike Davis Marionettes present "Cinderella" in the Presbyterian classrooms, followed by Lucille Musso's puppet show at 2 p.m., and a 3 p.m. magic show by Jim Welch.

Sunday at 2 p.m. "Cinderella" returns for a second performance, with a family - made film, "Bicentennial Bits of History" show at 3 p.m. by Lisa Emerson.

Shawn Rice and John Gilkerson swing into a lively Broadway routine during Marie Cochran's Variety Show set Saturday at 2 p.m. on the K Street stage — just a sampling of the continuous entertainment.

inside the arts

Saturday shines!

A highlight of Livermore's Festival '76 is the free Saturday evening program open to the public at the Sanctuary of the Presbyterian Church.

The concert will be a joint presentation by the Livermore Civic Chorus under the direction of Nico Snel, the Livermore - Amador Symphony under the direction of Dr. Arthur Barnes, Pianist George Kramer and Violinist Lorie Hamilton.

The Civic Chorus will offer a varied program which includes selections from Vivaldi's "Gloria," the ballad "Black is the Color of My True Love's Hair," and lively "Dixie" and "It's the Most Wonderful Time of the Year."

George Kramer will execute Chopin's "Scherzo No. 2 in B-flat Minor." Lorie Hamilton of Granada High School renders a Bach sonata for solo violin (No. 2), as well as the "Symphonie Espagnole" for violin and piano by Lalo. June Hamilton will accompany her for the last selection.

ARIES (March 21-April 19) Be extra careful not to step on too many toes in your zeal to reach your goals today. You have a tendency to rub people the wrong way.

TAURUS (April 20-May 20) Underlings won't take too kindly to you today if you use dictatorial methods. Make them feel part of the team.

GEMINI (May 21-June 20) Although your better judgment may be flashing warning signals, you could go out on a limb today in hopes of getting something for nothing.

CANCER (June 21-July 22) Be as tolerant of your family today as you are of friends, even though the kids seem to be trying to get your goat.

LEO (July 23-Aug. 22) Problems at work today will be of your own doing, but you're likely to try to cast at least partial blame on someone else.

VIRGO (Aug. 23-Sept. 22) Usually you're rather prudent in managing your budget. Today you could very easily squander a bunch of those hard-to-come-by pennies.

LIBRA (Sept. 23-Oct. 23) Don't vent your frustrations on innocent bystanders today. If something's bugging you, direct your ire at the real culprit.

SCORPIO (Oct. 24-Nov. 22) You're not very receptive today to suggestions of superiors. Before you cross swords with the boss, smile and count to 10.

SAGITTARIUS (Nov. 23-Dec. 21) Keep the cap on the bottle of red ink today. Cancel that shopping spree you planned.

CAPRICORN (Dec. 22-Jan. 19) This is not a good day to fight city hall. Today you are prone to bite off more than you can chew.

AQUARIUS (Jan. 20-Feb. 19) There's a rather serious obligation you've been neglecting. Today you may have to pay the piper for your sins of omission.

PISCES (Feb. 20-March 20) If you need something today, choose carefully where you try to get assistance. The wrong benefactor may tie too many strings to his offer.

Opening lead — 4 ♦

By Oswald & James Jacoby

Hamlet would have had no problem in rubber bridge. He would rise with the ace, knock out West's king of diamonds and make four notrump. At match points he would make five instead of four if he played his queen of hearts and it held.

The match-point problem was not too difficult either. The three-notrump contract was very normal, but Hamlet felt that a heart would be opened at some tables. This lead would hold declarer to just three. While he would get two heart tricks, he would not have time to set up the diamonds. Hence, one overtrick would mean a decent score even if the heart finesse were on. Hamlet went up with his ace, knocked out the king of diamonds and tied for top.

The fair Ophelia had gotten Hamlet into another duplicate game. Actually, it was the important Elsinore Mixed pairs.

The first hand found the melancholy Dane in a normal three-notrump contract. West opened the four of diamonds. East won with the ace and led back the eight of hearts.

Hamlet soliloquized. "To finesse or not to finesse, that is the question. For whether 'tis better in the end to suffer the slings and arrows of outrageous fortune or to take the average plus score. Ah! There's the rub."

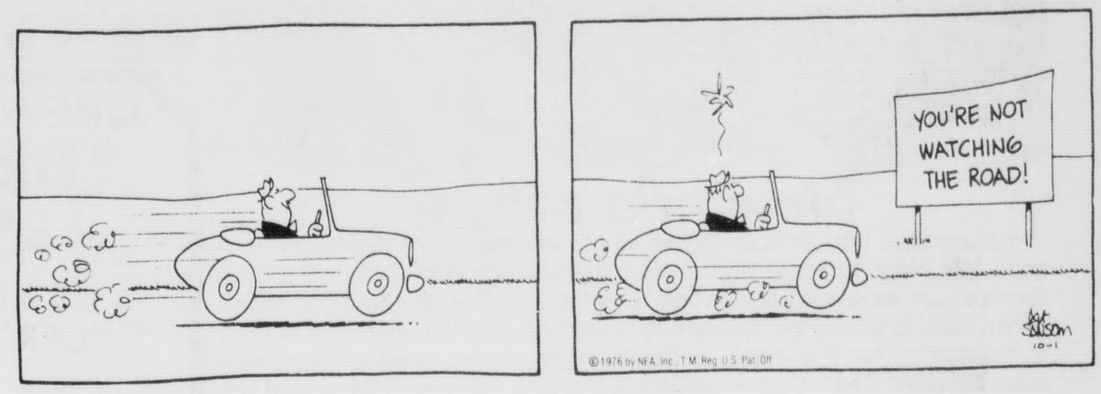

Ask the Jacobys

North opens one diamond. South responds one spade and North jumps to two notrump. Is that bid forcing?

No it is not. It shows anywhere from a good 17 high-card points to a poor 19. If South holds 7 or more he should find another bid.

Mat swimmers edge Dons

It was a battle between the top two teams of last season and the results showed the Amador Valley Dons and Granada Matadors could again dominate East Bay Athletic League girls' swimming this year.

After the final leg of the 400-yard freestyle relay was finished at Amador's pool yesterday the Matadors had pulled off a narrow but sweet 77-79 win over the hosts.

Amador won the freestyle relay in 3:53.8 but Granada's first team came in second to cinch the meet victory. Both teams had two squads entered in the final relay.

The Amador junior varsity turned the tables on the Mats, however, taking a 79-61 win.

In the varsity competition Arlene Daley was the key performer for Granada. She won the 200-yard individual medley in 2:18.1, the 100-yard breaststroke in 1:13.3 and swam a leg on the 200-yard medley relay.

Pattie Daley also stood out for the winners. She won the 100-yard butterfly in a blazing 1:02.3 and swam a leg on the medley relay.

Jackie Ellis was another star for Granada. She won the 200-yard freestyle (2:01.0), the 500-yard freestyle (5:26.2) and was another member of the winning medley relay squad.

Amador was not without its own stars, howevr. Jan Davidson won the 100-yard freestyle in 56.9, was second in the 100-yard butterfly and swam a leg on the winning freestyle team.

In the end it was Granada's depth that won out.

In another EBAL match Monte Vista dumped Dublin 95-25. The Mustangs, who are considered a prime rival for the title along with Granada and Amador Valley, took nine of the varsity events and placed many seconds and thirds. The Mustangs also won the unior varsity competition easily, topping the Gaels 73-59. Dublin won five of the events to four for Monte Vista but the Stangs' depth won out in the end.

Miller wants to win

LAS VEGAS, Nev. — Johnny Miller has a point to prove this week in the $135,000 Sahara Invitational Golf Tournament.

"Usually when I get in position to win, I do it," he said before a practice round on the 6,800-yard, par-71 Sahara-Nevada Country Club course, site of the 72-hole event that begins Thursday.

"Last week I didn't do it. I finished second. That hardly ever happens. I'm either first or 31st or something," he said. "Now these guys will start thinking I can be beaten when I get in the chase.

"I'll have to convince them otherwise."

He has major opposition — including always dangerous J.C. Snead, Al Geiberger and defending titlist Dave Hill — in the 144-man field in search of the $27,000 first prize.

Snead, who scored a solid, two-stroke victory over Miller on Johnny's home course at Napa, Calif., last week, and the veteran Geiberger both are two-time winners this year and rank as the top money-winners entered in this late-season event at America's desert playground. Snead is fifth with $191,600 and Geiberger, a former Sahara champion, is sixth at $190,000.

The first four money-winners — Jack Nicklaus, Ben Crenshaw, Hale Irwin and Hubert Green — are not competing.

Hill, a winner earlier this year in the Milwaukee Open, recently went past the $1 million mark in career earnings and, with 13 career victories and a more positive outlook, ranks as a major threat in any event he enters.

Also on hand are such 1976 tournament winners as Larry Ziegler, Roger Maltbie, Don January, Bob Gilder, Bud Allin, Bob Wynn, Tom Kite, Joe Inman, Rik Massengale and Gibby Gilbert, who tied with Miller for second last week.

Jerry McGee and John Mahaffey, non-winners this year, also figure to be very dangerous. McGee lost in a playoff in his last start while Mahaffey is a former Sahara champion. Others include veterans Miller Barber, Billy Casper and Gene Littler, all $1 million career winners.

Count throws a no-hitter

ATLANTA — San Francisco's swaggering John Montefusco came within one pitch of a perfect game Wednesday night, hurling a 9-0 no-hitter against the Atlanta Braves.

The youngster, known as "The Count" for his exceptional poise and cocky appearance on the mound, allowed only one batter to reach base — a walk on a 3-1 pitch to Jerry Rosyer leading off the fourth inning.

Montefusco, last year's Rookie of the Year in the National League, was in command all the way. San Francisco fielders only had routine plays behind the rangy right-hander.

Montefusco struck out four batters and forced the Braves to hit the ball into the ground for the most part. Shortstop Johnnie LeMaster alone had eight chances.

Montefusco, 16-14, finished up his brilliant performance in the ninth by striking out Jimmy Wynn, getting Cito Gaston on a pop fly and Jerry Rosyter on a soft fly to right.

Montefusco pitched the fourth no-hitter of the year in the major leagues this season. Earlier this year, Houston's Larry Dierker hurled a no-hitter against the Montreal Expos, John "Blue Moon" Odom and Francisco Barrios combined on a no-hitter for the Chicago White Sox against the California Angels and John Candeleria pitched a no-hitter for the Pittsburgh Pirates against the St. Louis Cardinals.

The last Giants to pitch a nohitter was Ed Halicki, who did it last season against the New York Mets. The only other nohitter pitched in Atlanta has been by the Braves' Phil Niekro against the San Diego Padres on Aug. 5, 1973.

Cowling stars for Granada

Jeff Cowling is well on his way to becoming the greatest cross - country runner Granada High School has ever had.

If he isn't already.

He showed his talent yesterday by setting a new school record of 16:35 over a three-mile, 20-yard course at the Mats' field. His running helped Granada defeat Kennedy of Richmond, 18-41 in the varsity competition.

Dan Lyons of Granada finished second with a fine 16:41 clocking. Jim Hunter of the Matadors finished third with a 17:46 time. Steve Stephens of Kennedy was fifth with a 18:19 clocking.

Kennedy came back to win the frosh-soph competition, 21-39.

Dennis McDonald was the top Matador finisher with a 11:07 clocking. Brian O'Dell of Granada was fifth with a 11:25 time. Kennedy took the top two places and the fourth spot to cinch the victory.

Today the Matadors face Livermore in an East Bay Athletic League crucial on the Matador course. Both teams are rated among the best in the EBAL.

Granada rallies, topples Dublin

The Granada High School volleyball team pulled Dublin down into a tie for second place in the East Bay Athletic League standings by beating the Gaels, 7-15, 15-13, 15-9 Tuesday afternoon in Dublin.

Mary Ledezma's serves and spikes paced the Matadors while Linda Franco won five points serving in the first game for Dublin.

The Mats, Gaels and San Ramon and now all tied at 2-1 behind unbeaten Livermore. Today, Dublin travels to Danville to try and bump the Wolves out of the tie, Livermore faces Amador Valley in Pleasanton, Foothill meets Granada in Livermore and once - dominant Monte Vista visits California in San Ramon.

All matches begin at 4 p.m.

In other EBAL sports this afternoon, the boys tennis teams, rained out of Tuesday's scheduled matches get back to action with Foothill at Monte Vista, Dublin at Amador Valley, Livermore at California and San Ramon at Granada.

Meanwhile, in cross - country, Dublin meets San Ramon in Danville, Livermore travels cross-town to Granada, Foothill meets Amador Valley and Monte Vista will run against Cal.

Royals win: just one more

OAKLAND —The Kansas City Royals struck early and held on to all but obliterate the Oakland A's pennant hopes, 4-0, before a sizeable and boisterous crowd last night at the Coliseum.

Recently acquired left hander Larry Gura's four-hit shutout brought his season record to four wins without a loss as 19,631 looked on.

It was Gura's first complete game of the year and put the Royals in a position of needing one win or one Oakland loss to wrap up their first pennant since joining the American League in the 1969 expansion. The A's had won the division five years in a row.

With one out in the Kansas City second, Hal McRae slashed a half-swing single to left and immediately drew a half-hearted pick-off throw from A's starter Paul Mitchell.

The A's were wise to keep McRae put as on the next pitch John Mayberry drilled a liner over the shifted infield sending Hal to third.

But Mayberry was out on a pitch later as Hal Cowens pulled a rip into the glove of first baseman Ron Fairly, who turned it into a double play.

The three successive smashes sent the A's bullpen in motion, but it took some craftiness by veteran Cookie Rojas to score the run.

Rojas made a bunt equal distance to Bando and Mitchell, allowing no play on either himself at first or McRae at the plate.

Former Gaels lead GGC stats

A pair of former Dublin High School players figured prominently in the three-game Golden Gate Conference football statistics released yesterday.

Both play for Chabot, which continues its GGC season Saturday night in Hayward against West Valley, which will be opening its league season.

Steve Duncan, the Glads long - distance place - kicker, topped GGC schools in kick - scoring with 18 points. The ex - Gael running back has converted all six of his point - after attempts and made four of the nine field goal's he's attempted — not an impressive percentage unless the fact that most were from further than 48 yards away is taken into account.

Duncan ranks sixth in total scoring, 12 points behind Laney superback J.J. Johnson, whose five touchdowns give him 30 points. Johnson is the GGC's leading rusher with 390 yards on 53 carries and ranks 11th in receiving with seven catches for 50 yards.

Chabot quarterback Steve Grant, Duncan's former Dublin team mate, is a distant second to San Mateo's flashy Randy Gomez in the passing department.

Grant has completed 25 of 52 passes for 226 yards and one touchdown. He's been intercepted only twice. Gomez, however, although having four passes picked off, has completed 46 of 77 for 702 yards and 10 touchdowns.

Gomez ranks ahead of Johnson by nearly 300 yards for individual total offense honors.

A pair of Grant's Chabot receivers rank two-three in the pass-catching statistics. Al Mundy has grabbed 17 for 157 yards and one TD while Dave Fernandez has collared 15 for 122 yards and a touchdown.

Not surprisingly, Gomez' favorite receiver, Paul Bachtold, leads the chase with 18 receptions and 338 yards; good for four touchdowns.

Gladiator running back John Fekete ranks sixth in rushing with 23 carries for 161 yards while the Chabot team is fourth in total offense with a 266-yard per game average but stands fifth in team defense, permitting 262 opponent yards each time out of the gate.

Despite the Glads decisive 31-13 win over De Anza Friday night, it was a Don player, Frank Manumale una, who captured co-offensive player of the week honors along with San Francisco running back Bob McCutcheon.

Manumale Una, a 6-4, 235-pound transfer from UCLA out of Los Angeles' Carson High School, picked up 202 yards on 20 carries against Chabot despite not starting the contest.

In other GGC games this week, unbeaten San Mateo meets Laney, San Francisco meets Foothill and DeAnza will face Diablo Valley.

Lighters win slugfest, 14-7

Clubbing 15 hits the Lamp Lighters rolled over Fil-Am 14-7 in Livermore Area Men's Recreation softball action recently.

The winners were paced by Jim Padilla with three hits. George Coker, Jeff Parhodiso, Don Maloney, Larry Preszlife and Tom Galletti each added two hits. A seven-run second inning proved the margin of victory for the winners.

Doubles by Padilla and Preszlife sparked the rally. There were also two walks in the inning.

Dick Nickison led the losers with three hits and scored once. Miguel Aquino and Jeff Moore each added two hits for Fil-Am. Aquino scored three times. George Baker had two hits and scored once for the losers.

In another slugfest the Oaks Club belted 17 hits as it smashed American Sports Supply 11-7.

A six-run rally in the sixth inning proved to be the key. Gary Nero, Ron Adams and Thad Baker each had three hits for the winners. Ron Seagraves added two hits and scored once. Danny King had a triple in the sixth and scored once.

Jeff Chapman and Jim Wright led the losers with two hits apiece.

In another contest Cebu Association and Bell Engineering fought to a 10-10 draw.

Cebu scored three runs in the seventh inning to tie the score.

Jim Villar smashed a triple in the comeback to drive in two runs. He led Cebu's attack with three hits and scored three times. Albert Tayo, Ken Shelton, Frank Sullivan, Steve Evaristro each had two hits. Fred Tayo also had a hit for Cebu.

Milt Grissom, George Manson and Mike Bell each had three hits for Bell. Mike Ballum added two hits and scored twice. Bob Kuckuck added two hits, Frank Perrigo one hit and two runs and Al Leibee one hit. Ken Rhodie belted one hit and scored once.

Brokers top Dirty Dozen

The Tri-Valley Brokers rallied after being soiled by the Dirty Dozen in the first game to take a 2-15, 15-4, 15-2 see-sawing VCSD Recreation Department volleyball match at Dublin High School Monday night.

Bobbie Lizzaraga led the way for the Brokers with outstanding serves in the team effort.

Round Table Pizza managed a sweep of the Silly Servers, 15-4, 15-11, 15-9, getting good spiking and ball handling from most of the squad. Lorraine Morrison and Barbara Bond shone for the Servers.

With Carolyn McMillian leading the way, Sugar 'n' Spikes edged past the Jockettes, 15-6, 10-15, 15-12. Deanna Mirante played well for the Jockettes.

Swenson's Ice Cream froze out Snap-On Tools, 15-7, 15-6, 15-2, as Butterscotch Pratt and Fresh Banana Morris starred.

The Chartreuse Moose captured the first two games before dropping the third in their encounter with the Jumpers, 15-8, 15-13, 9-15.

AV polo

Amador Valley High School's water polo team meets host Pittsburg today in a key match.

The Dons defeated a tough Pinole Valley team, 9-2 last week. San Ramon is the only other East Bay Athletic League squad in the high school waterpolo loop.

BORN LOSER

If you think things sometimes go wrong for you, you'll feel better after laughing at "The Born Loser" each morning in The Times comics.

Old Compliment

When a housewife buys a spool of "50 denier" thread, she is paying Julius Caesar an indirect compliment. Caesar introduced the coin "denarius" or "denier" into France. King Francis I established the weight of this tiny coin 1500 years later as the standard measurement of his budding silk industry. Today, denier is a number system to describe the fineness of yarn.

Asthmatics guide book

A rambunctious four - year - old named Sammy and his family will guide young asthmatics through a lesson on how to cope with their frightening illness.

Sammy is a character created by cartoonist Morrie "Wee Pals" Turner of Oakland, especially for the children in Solano and Contra Costa Counties. He's the star of a book, "Happiness is Breathing Better," offered to residents of that county, free, as a Christmas Seal service of the Lung Association. Anyone desiring a copy may contact the association at 105 Astrid Drive, Pleasant Hill, CA. 94523.

A large group of medical and health service professionals served as advisors to the project. The book tells how to control an asthmatic's environment, suggests exercises and activities, describes breathing classes, medical care and treatment, and suggests family behavior and interaction.

Easy to love. But will it be easy to live with?

The Shell Answer Man points out some specific things to consider when negotiating the price of a car.

If you're thinking of buying a used car, here are a few things you should look for.

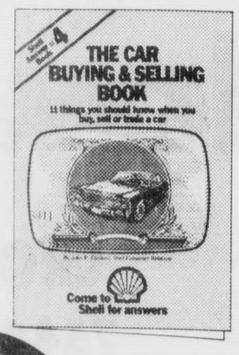

Ripples in body metal could indicate a previous collision. A break pedal that

keeps going down when you step on it could mean a leak in the brake system. Too much steering wheel play is unsafe.

If you find any of these, be sure to consider them when you get down to negotiating.

You'll find more answers about used and new cars in "The Car Buying and Selling Book." To get a free copy, just write, Shell Oil Company, P.O. Box 61609, Houston, Texas 77208.

The high cost of fighting a fire

Alameda County Bureau

And you thought the price of '77 model cars too high.

Castro Valley Fire Chief Bill Pedroni told county supervisors this week he needs a new engine for his well aerial ladder truck. And he got it.

It's been out of service for the past four months after two years of solid work and repairs, and "is desperately needed," the chief said.

Besides, he'll take the lower of two bids: $13,570 from the county's motor vehicle department.

The price includes all the trappings thrown in with an engine change, and compares favorably with the $17,992 bid by American La France Co., the manufacturer.

"Labor and materials would be billed to you at actual cost," says motor vehicle department fleet manager Richard W. Harrison, thus saving Chief Pedroni a pretty penny.

The chief is passing up a cheaper diesel engine because "it just won't pull the rig" up Castro Valley's hills.

Still, a new engine is cheaper than a new hook - and - ladder at an estimated $75,000.

The new V-6 engine will pull the 14-ton, 85-foot long rig at about four miles to the gallon.

CTA plugs support of Carter

The California Teachers Association (CTA) announced its "enthusiastic support" of the National Education Association's (NEA) endorsement of Gov. Jimmy Carter and Sen. Walter F. Mondale for president and vice president of the United States. CTA also announced its support for incumbent U.S. Sen. John V. Tunney for re-election Nov. 2.

CTA President Stephen H. Edwards Jr. said "CTA will be urging its 150,000 members to join their 1.8 million NEA colleagues in rallying maximum teacher support for our united teaching professions endorsed presidential and vice presidentiai candidates — the first such endorsements in the 119-year history of NEA and 113-year history of CTA.

Edwards stressed that the endorsements were the culmination fof the most open and comprehensive endorsement procedure ever used by any membership organization in the country, and are based on the needs of education and public employes and not on political party affiliation.

"Carter and Mondale support the teachers' recommended positions on education and public employe rights," Edward said. "The Ford - Dole ticket does not. The Democratic platform concurs with the teachers' positions, the Republican platform does not. The same can be said for Senator Tunney, while his Republican opponent, Dr. S.I. Hayakawa does not."

Edwards explained that nationally more than 7,000 mail ballots were cast in late August in the endorsement voting by delegates to the 1976 NEA Representative Assembly. Of these, 5,511 or 81 per cent supported Carter and Mondale. An endorsement required 58 per cent, Edwards said.

U.S. candidate promises new budget policy

Jim Mills, Republican candidate for Congress from the Ninth Congressional District, announces that if elected to office, his first priority will be to introduce a proposed Constitutional amendment calting for a balanced federal budget and prohibiting government from taking more than 25 per cent of a person's income.

"Today," Mills said, "taxes eat up about 40 per cent of total personal income, as compared with 15 per cent in 1930. And unless present trends are reversed, by 1985 the government will take an estimated 54 cents from every dollar of personal income. Can you possibly believe that? And, what's more, are you prepared to pay it?"

"Then as you stop to consider the tremendous waste of the taxpayer's dollar, it's high time that this district had someone in Washington looking out for those who must foot a totally disproportionate share off this outrageous tax burden — the middle income wage earner."

Mills went on to quote figures of "Mr. Average," a mythical taxpayer earning average wages and paying average taxes.

"Mr. Average" makes $13,487 yearly, but will still be $500 in the hole at year's end. He is living hand to mouth and cannot afford to die, Mills said.
